Blip dot dat, dit blap

Zic trac sac, six pac

Flowing gently downstream

Its sic kit lit stic pic

Stickle dibble nibble nic

Balmy afternoon sunbeam

Zzzt vvvt tsst chk

Chk ssshhh... ickle sic zag

My bean, it's becoming green

Zig sac siggle, nic nac

Chic choc's got bac hot hat, snac

And then the gymnogene's genes

Wipple robble rubble hump

Rumble stumble tumble bum'p

Mathamedium, "What does it mean?"

Tadpoles
